Getting to the National Conference Centre

The National Conference Centre is located directly on the J6 island of the M42, part of The National Motorcycle Museum, directly opposite the NEC.

Sat Nav caution – some systems inaccurately position the conference centre postcode several miles from the actual location. If your system does not include it as a ‘special location’ you may prefer to use B92 0ED as your destination. This is the postcode of the Esso Petrol Station which is close to the site. Once you are on the A45 and in the vicinity of the NEC and Airport, please follow the road signs for The National Motorcycle Museum.
