## WELCOME TO MOTOR FLEET INSURANCE FROM NFU MUTUAL

You should read your policy documents carefully, to make sure the policy meets your needs and that you understand any limitations.

This document provides a summary of our Fleet insurance's main features including key exclusions and obligations. It's not personalised to your individual needs in any way.

To help you make the right decision for your business, we've highlighted what we think is important. However, your cover will depend on your circumstances and choices. Full details of your chosen cover will be provided in your policy documentation.

We recommend you keep this brochure with your policy documents for future reference.

**YOUR OBLIGATIONS**  
All insurance policies include terms and conditions, which you need to comply with. You'll find these in your policy documentation, and we've provided a summary here:

1. Tell us of any changes affecting your business. If you're unsure whether we need to know about a particular change, tell us anyway and we'll let you know if it affects your insurance.
2. Let us know if you or your drivers receive any motor convictions.
3. Pay the premium, and tell us about any claims or incidents that may lead to a claim as soon as possible.
4. Your premium may be based on an estimated number of vehicles. If we ask, you must confirm the actual number so we can calculate any additional premium or refund that is due.
5. You are responsible for regularly sending information about your vehicles to the Motor Insurance Database (MID).
6. You must take reasonable steps to:
  - prevent any accidents, injury, loss or damage
  - protect your property and maintain it in good condition
