WELCOME TO OFFICE INSURANCE FROM NFU MUTUAL

You should read your policy documents carefully, to make sure the policy meets your needs and that you understand any limitations.

This document provides a summary of our Office insurance's main features including key exclusions and obligations. It's not personalised to your individual needs in any way and does not form part of your contract with us.

To help you make the right decision for your business, we've highlighted what we think is important. However, your cover will depend on your circumstances and choices. Full details of your chosen cover will be provided in your policy documentation.

We recommend that you keep this brochure with your policy documents for future reference.
