How to Make a Claim

24-hour emergency helplines

For Insurances other than Legal Expenses

Normal business hours: please call YOUR insurance advisor whose telephone number is shown on YOUR schedule.

Any other time (or if YOUR insurance advisor is unavailable): please call OUR 24-hour commercial emergency helpline freephone number **0800 282652**

Whichever number YOU call please read the following information before contacting US:

- the relevant section(s) of the policy which cover the loss;
- the General Exclusions, General Conditions and Claims Conditions found at the front of the policy;
- YOUR schedule.

To ensure WE can help YOU quickly and efficiently please have the following information available:

- YOUR policy number;
- YOUR name and address;
- details of the incident giving rise to the claim including date, circumstances and, if possible, an estimate of the cost; and
- YOUR contact number.

Commercial emergency helpline

YOU can use the helpline by calling the freephone number **0800 282652** if YOU have an emergency at YOUR PREMISES which:

- puts YOUR health, or that of YOUR EMPLOYEES, at risk;
- creates a risk of damage to YOUR PREMISES or PROPERTY;
- creates unacceptable working conditions.

OUR emergency service will:

- offer to arrange for a suitable contractor to carry out any necessary emergency repairs; and
- tell YOU the contractors call-out and hourly labour charges. YOU are responsible for paying these charges, but YOU can claim them back if the damage is covered by YOUR policy.

For Legal Expenses Insurance

Please refer to YOUR schedule to see if this is operative.

To make a claim under this section of the policy, please phone DAS on **0117 934 0571** quoting YOUR policy number. The INSURED PERSON claiming under the policy must have YOUR agreement to claim.

DAS will ask YOU about YOUR legal issue and if necessary call YOU back at an agreed time to give YOU legal advice. If YOUR issue cannot be dealt with as legal advice and needs to be dealt with as a potential claim under this section of the policy, DAS will give YOU a claim reference number. At this point DAS will not be able to tell YOU whether the claim is covered but will pass the information YOU have given DAS to their claims handling teams and explain what to do next.

If YOU would prefer to report YOUR claim in writing, YOU can send it to DAS' Claims Department at the following address:

Claims Department, DAS Legal Expenses Insurance Company Limited, DAS House, Quay Side, Temple Back, Bristol, BS1 6NH.

Alternatively, YOU can email YOUR claim to: newclaims@das.co.uk. Please do not phone DAS to report a general insurance claim.

If this policy provides cover for glass YOU can utilise a 24 hour service to ensure that any broken glass is replaced without delay.

For full details please refer to the Accidental Breakage of Fixed Glass cover extension of the policy.

If YOUR schedule indicates that this policy has been issued subject to YOU implementing certain risk improvements or providing certain additional information:

- 1 the insurance granted by this policy will automatically cease following the expiry of any deadline indicated in YOUR schedule or any other deadline which WE may specify; or

In the absence of this, the DECLARED VALUE will be the last value declared by YOU, adjusted to reflect any Index Linking which may apply.

Declared Values are increased, either by 15% or an alternative percentage uplift agreed by US, to provide protection against the effects of inflation and the resultant sum insured is the limit of OUR liability in the event of insured DAMAGE.

WE may at OUR option use other suitable indices of cost. YOUR existing sums insured or DECLARED VALUES will not be reduced in the event of a negative index value.

Where the BASIS OF COVER shown in YOUR schedule for an ITEM OF PROPERTY is anything other than Day One Reinstatement, this adjustment will continue monthly from renewal to the time of any insured DAMAGE.

Subject to this, WE will pay the cost of getting the opinion if the expert's opinion indicates that REASONABLE PROSPECTS exist.
