Please return both pages to us

- I am/we are the legal owner(s) and want to withdraw these amounts from my/our bond. Withdrawals will stop if the value of the bond reduces to £500 or less.
- I/we understand that these withdrawals might give rise to a tax liability.
- A market value reduction might apply to withdrawals from the With-Profits fund. This is most likely to happen following a large fall in the stock market or after a sustained period of low investment returns. **We guarantee that a market value reduction will not apply on regular withdrawals of up to 10% of the total amount invested each policy year.**
