NFU MUTUAL GLOBAL GROWTH FUND, CLASS C SHARES: INCOME (SEDOL B89YL83) A SUB-FUND OF THE NFU MUTUAL OEIC

The Fund is managed by N.F.U. Mutual Unit Managers Limited, a subsidiary of The National Farmers Union Mutual Insurance Society Limited.

Objectives and investment policy

Objective:

- To achieve long-term (5+ years) capital growth (net of fees) by investing globally.

Policy:

- The Fund will gain exposure to at least 80% in a broadly diversified portfolio of global company shares (equities), of which at least 50% will be a combination of companies domiciled in North America, Europe and Asia or whose business activities are predominately in/the majority of their revenue is derived from North America, Europe and Asia and quoted on a market outside North America, Europe and Asia.
- The Fund may also invest up to 20% in shares in companies and other securities equivalent to shares in companies, depositary receipts in respect of shares, bonds or other forms of securitised debt, Money Market Instruments, Deposits, Cash and Near Cash. The fund manager will invest up to 100% of the Fund's assets in other funds managed by N.F.U. Mutual Unit Managers Limited (including other subfunds of the same Umbrella [the NFU Mutual OEIC]) and/or third-party funds with compatible objectives. The fund manager also has the ability to invest directly in company shares (equities) and other permitted investments within the stated limits.

- The Fund may use financial derivatives but only for hedging, reducing risk and managing the Fund more efficiently.
- The performance of the Fund can be compared against the FTSE All-World ex UK Index (the benchmark).
- This benchmark has been selected as it is widely used and the constituents of the benchmark are representative of the types of shares in which the Fund is likely to invest. The Fund is not constrained by the benchmark or managed to it and has flexibility over the benchmark constituents it holds.
- Many funds sold in the UK are grouped into peer group/sectors by the Investment Association (IA) (the trade body that represents UK investment managers), to help investors to compare funds with broadly similar characteristics. This Fund is classified in the IA Global sector. You can use this information to compare the fund against other similar funds.

Other information:

- This Fund may not be appropriate for investors who plan to withdraw their money within 5 years.
- You can buy or sell your shares in the Fund on each working day.
- Income will be paid at the end of February and August.

Risk and reward profile

- This indicator is based on historical data and may not be a reliable indication of the future risk profile of the Fund.
- The risk and reward category shown is not guaranteed to remain unchanged and may shift over time.
- The lowest category does not mean 'risk free'.

- This indicator is not a measure of the risk that you may lose the amount you have invested.
- The Fund is in this category because the prices of shares have moved up and down frequently and significantly in the past.

The indicator does not adequately capture the following relevant material risks:

- Foreign Exchange - fluctuations in currency value may alter the value of the Fund's investments.
- Collective Investment Schemes - investment in other funds may mean additional costs could be incurred by the Fund.

Charges for this fund

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

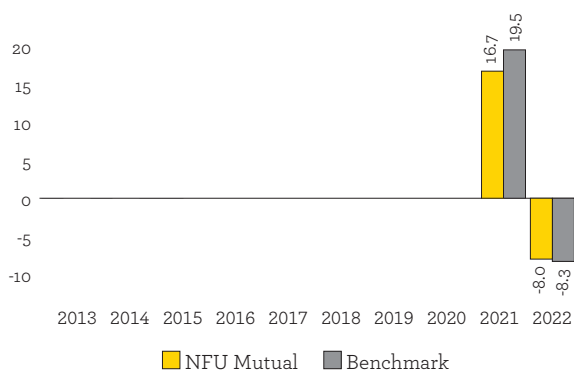

One-off charges taken before or after you invest	
Entry charge	5%
Exit charge	Nil
This is the maximum that might be taken out of your money before it is invested.	
Charges taken from the fund over a year	
Ongoing charge	0.81%
Charges taken from the fund under certain specific conditions	
Performance fee	None

The **entry** and **exit charges** shown are maximum figures. In some cases you might pay less – you can find out actual entry and exit charges from your financial adviser.

The **ongoing charges** figure is based on last year's expenses for the year ending 31 March 2023 adjusted to reflect the reduction in annual management charge of 0.05% made on 1 September 2023. Ongoing charges may vary from year to year. The figure for ongoing charges excludes portfolio transaction costs, except in the case of the entry/exit charge paid by the Fund when buying or selling units in another collective investment undertaking.

For more information about charges, please see the sections 'Buying, Selling and Switching Shares – Other Dealing Information' and 'Fees and Expenses' in the fund's prospectus, which is available at nfumutual.co.uk/investments/fund-centre
