- The minimum amount you can withdraw is £500 and you must leave a total of at least £1,000 invested, including at least £500 in each of your chosen funds.
- The price used to sell your investment is calculated at the next valuation point following receipt of your request.
- Payment will be made to your nominated bank account within four working days of the units being sold.
- For the Select Investment Plan, if you've made a profit on the money you invested in the fund(s) you're selling, you could be liable to capital gains tax. You have a yearly allowance, which can reduce the amount of capital gains tax you may have to pay, or remove it entirely. If you have any questions about this, please contact HM Revenue and Customs.
